ADDENDUM
MONOPOLY™ MILLIONAIRES' CLUB™ TV GAME SHOW
(5 out of 52 & 1 out of 28)

The following rules have been adopted by the New Jersey State Lottery Commission pursuant to the authorization contained in N.J.S.A. 5:9-7 and shall govern the operation of the "MONOPOLY™ MILLIONAIRES' CLUB™" lottery game.

Unless otherwise defined or the context clearly indicates otherwise, all capitalized terms used in this Addendum shall have the same meaning as defined in the Official Game Rules. The additional rules are as follows:

1. DEFINITIONS

Account Holder – means a Purchaser of a Monopoly Millionaires' Club ticket who, consistent with the rules outlined in this Addendum, has validly registered for an online account on the Website. The Account Holder must be at least eighteen (18) years of age.

Bonus Qualifying Property - means a MONOPOLY game board property that is assigned to an Account Holder at random upon each entry of a valid Webcode on the Website by the Account Holder.

Community Chest Card – means the MONOPOLY game element awarded to an Account Holder at initial registration that represents a completed MONOPOLY Property Group selected at random. The Account Holder is automatically entitled to the number of Entries the MONOPOLY Property Group represents, as outlined on Table 1.

Entry or Entries – A registered chance for a selection to participate as a studio audience member on the TV Show. An Account Holder receives Entries by entering Webcodes into the Website. The number of Entries allocated to the Account Holder depends on the specific MONOPOLY Property Group, as outlined in Table 1, that the Account Holder has collected and submitted to his online account. Each Ticket has a Qualifying Property, and each Webcode entered into the Website entitles the Account Holder to a Bonus Qualifying Property. Entries are only valid for specific drawings and must be registered to an Account Holder's account prior to the entry deadline for each respective drawing.

Guest – means the person selected by the Prizewinner that may accompany the Prizewinner to the filming of the TV Show. Unless the Guest is designated or appointed as the Prizewinner’s Proxy, the Guest is not eligible to be an on-stage participant on the TV Show. The Prizewinner is solely responsible for the actions of the Guest who accompanies the Prizewinner. A Guest must be at least eighteen (18) years of age. Minors are not permitted to attend the TV Show.

MONOPOLY Property Sets – means a collection of Qualifying Properties, as outlined on Table 1, representing the traditional sets of properties that appear on the original MONOPOLY board game in the same color scheme, for example “Boardwalk and Park Place.” The four railroad properties comprise a single Property Set. The two utility properties (Waterworks and the Electric Company) comprise a single Property Set. Completed and registered MONOPOLY Property Sets entitle the Account Holder for the respective number of Entries into the respective drawing for the Second Chance Prize.

Prizewinner – means, where used in this Addendum, the Account Holder that is awarded the Second Chance Prize.

Producer – means the television production company that will develop, produce and market the MONOPOLY MILLIONAIRES’ CLUB TV Game Show.

Proxy – means in instances permitted by the Director, an individual selected by the Account Holder who is at least eighteen (18) years of age and acceptable to the Lottery, to participate as a studio audience member on the TV show in place of the Account Holder. Note, MUSL and the Producer(s) reserve the right to appoint a Proxy at any time for any reason.

Qualifying Property – means the associated MONOPOLY game board property that appears on each MONOPOLY MILLIONAIRES’ CLUB Ticket, which Account Holders combine to form MONOPOLY Property Groups. Qualifying Properties have a corresponding Webcode that must be entered online at the Website by the Account Holder. Qualifying Properties registered on an Account Holder’s account that do not form completed MONOPOLY Property Sets do not expire. Registered Qualifying Properties will remain on an Account Holder’s online MONOPOLY game board until they are compiled into MONOPOLY Property Sets.

Second Chance Prize – means the prize awarded to an Account Holder who is selected to be a participating studio audience member on the TV Show. The prize awarded to a Prizewinner consists of transportation to and from Las Vegas, \$500 spending money, lodging, and meals for five (5) days and four (4) nights awarded to the Prizewinner and his/her Guest. The value of the prize is \$6,500.00 inclusive of applicable taxes. A Second Chance Prize will only be awarded to the Prizewinner.

TV Show – means a nationwide television game show developed by the Product Group and aired in conjunction with the MONOPOLY MILLIONAIRES’ CLUB lottery game.

Website – means nj.playmmc.com, the official website for the Second Chance Prize. Account Holders who purchased MONOPOLY MILLIONAIRES’ CLUB tickets in New Jersey may use the Website to establish accounts, register the Webcodes from game tickets, and compile their Qualifying Properties into MONOPOLY Property Sets in order to earn Entries for the Second Chance Prize.

2. MONOPOLY MILLIONAIRES' CLUB TELEVISION GAME SHOW DESCRIPTION

- a. In conjunction with the MONOPOLY MILLIONAIRES' CLUB lottery game, the Product Group will produce a TV Show. The TV Show will be produced at times and places approved by the Product Group for broadcast at times approved by the Product Group.
- b. Contests played on the TV Show shall be operated in a manner as approved by the Product Group.
- c. **Eligibility.** An Account Holder may be selected for the Second Chance Prize by registering one or more Qualifying Properties on the Website with a Webcode and creating MONOPOLY Property Sets, according to the requirements of these Rules. A Prizewinner must be present in the studio audience to be eligible to participate as an on-stage participant in a game or games to be conducted on the TV Show. Unless designated as a Proxy, Guests of Prizewinners are not eligible to be selected as an on-stage game participant.
- d. **How to Register.** To register for a chance to win the Second Chance Prize, a person must visit the Website and become an Account Holder by providing his or her name, certifying that he or she is 18 years of age or older, and providing all other identifying information requested. The Account Holder must enter the Webcode assigned to the Ticket, which will register the Qualifying Property indicated on the Ticket in the Account Holder's account. Each Webcode registered in the Account Holder's account also awards one additional Bonus Qualifying Property. Additionally, when a Player initially registers as an Account Holder, he or she will receive a Community Chest Card that awards the Player a completed MONOPOLY Property Group.
- e. **Additional Entries.** For all additional Webcodes registered to an Account Holder's account following initial registration, the Account Holder will receive the associated Qualifying Property from the Ticket and one (1) additional Bonus Qualifying Property. All Qualifying Properties populate the Account Holder's personal online MONOPOLY game board. Each time the Account Holder collects a MONOPOLY Property Set, he or she receives the associated number of Entries in the next drawing for the Second Chance Prize. As MONOPOLY Property Sets are completed, Entries are automatically submitted, and the properties are cleared off the Account Holder's board, allowing the Account Holder to collect the same MONOPOLY Property Set again, should the Account Holder accumulate the same Qualifying Properties. Entries are only valid for specific drawings and must be registered prior to the entry deadline.

3. STUDIO AUDIENCE MEMBERS

- a. **Selection of Prizewinners.** As specified by the Product Group and posted on the Website, drawings will be conducted to select Prizewinners. Prizewinners shall be selected from those Account Holders whose accounts have accumulated Entries during the drawing period. For each such drawing, a minimum of three (3) New Jersey Account Holders shall be selected as Prizewinners. Each Prizewinner shall have the right to participate in a selection process to be chosen as an on-stage participant on the TV Show, and to compete for prizes awarded to the winners of such game elements. Drawing dates and entry deadlines for each drawing will be posted on the Website. An Account Holder may only win one (1) Second Chance Prize per drawing period.
- b. **Second Chance Prizes Awarded.** Each Account Holder that is selected will receive: \$500 spending money, transportation, meals, and lodging expenses (four days and five nights) for himself or herself and a Guest to travel to and from Las Vegas, Nevada for the TV Show taping. The estimated value of each Second Chance Prize is \$6,500.00 inclusive of applicable taxes.
- c. **Deadline for Qualifying For Second Chance Prizes.** After each drawing, selected Account Holders will be contacted, as soon as possible, using the information provided by the Account Holder on their account. Selected Account Holders must respond within five (5) business days of the drawing in order to claim the Second Chance Prize. Failure to do so shall result in the Second Chance Prize being forfeited to an Alternate Account Holder. The Lottery has no liability to Account Holders who fail to respond or to Account Holders who fail to receive communications as a result of Account Holder's failure to accurately enter or update their information on their account.
- d. **Alternate Selection of Studio Audience Members.** After the selection of the three (3) Account Holders for each drawing, the Lottery will draw a minimum of three (3) alternate Account Holders. In the event that any of the three originally selected Account Holders are unwilling or unable to accept their Second Chance Prize award, for whatever reason, or if they fail to respond within ten (10) business days of the drawing, or if Lottery is unable to contact a selected Account Holder, than an alternate Account Holder, starting with the first alternate Account Holder selected, will be given the opportunity to accept the Second Chance Prize award. The number of Alternate Studio Audience Members selected for each drawing is subject to change at the discretion of the Director.

e. **Requirements for Each TV Show Audience.**

- i. The Product Group has determined that each studio audience shall consist of 125 Prizewinners from Participating Lotteries plus 125 Guests. All Prizewinners and Guests must be at least eighteen (18) years of age. No minors are permitted to attend or participate in the TV Show.
- ii. The Producer retains the right to appoint a Proxy for any Prizewinner selected for on-stage participation on the TV Show at any time and for any reason.
- iii. The Product Group may select additional Account Holders (in addition to the minimum of three (3) Account Holders) for Second Chance Prizes. The number of additional Account Holders selected will be predicated proportionally on sales of Monopoly Millionaires' Club Lottery Tickets in New Jersey relative to ticket sales in other Product Group member jurisdictions.
- iv. **No transfers; Exceptions.** A Prizewinner shall not have the right to transfer such selection to another person or Proxy, except that the Director in his/her sole discretion, may permit the selected registered Account Holder to appoint a Proxy reasonably acceptable to the Lottery to participate as a studio audience member in place of the selected registered account holder, but in such a case the Second Chance Prize together with any prize(s) awarded as a result of participation in the studio audience or in a game element on the TV Show shall be deemed to be received by the selected Account Holder, not the Proxy.
- v. **No Cash Options; Exceptions.** A Prizewinner shall not have the right to decline the payment of expenses for transportation, meals, spending money and lodging to and from the TV Show in exchange for a sum of money equivalent to the value of such expenses; except in a case where the Director, in his/her sole discretion, determines that such registered account holder is legally subject to the offset of such expense payments per Section 3(vi) of this Addendum.
- vi. **Garnishments and Set-offs.** All Prizes, including those won by a Prizewinner on the TV Show, may be subject to garnishment per N.J.S.A. 5:9-13.5, 13.14, and 13.17 in accordance with the procedures in N.J.A.C. 17:42-1.1 et seq. and N.J.A.C. 17:43-1.1 et seq. In such a case, the amount determined by the Product Group to be equivalent to the value of the Second Chance Prize may be offset and applied to the Prizewinner's obligations in accordance with the applicable laws of the State of New Jersey. Specifically, the cash equivalent of the aforementioned prize components will be applied to all such debts owed to the State of New Jersey. Any remaining balance after the garnishments, if any, will be awarded to the Prizewinner as a cash prize. If the Prizewinner is able to immediately and independently satisfy any such debt that would otherwise subject the Second Chance Prize to garnishment under this section, the Lottery will not pursue the liquidation of Second Chance Prize for set-off purposes.

- f. **Taxes.** Any and all federal or state taxes are the responsibility of the Account Holder or Prizewinner. For tax reporting purposes, Prizewinners shall be required to furnish appropriate taxpayer identification information.
